DETAILED ACTION

Allowable Subject Matter

1. The following is a statement of reasons for the indication of allowable subject matter: Claims 19 and 40 are allowable over the art of record because the prior art does not teach a wireless communication device coupled to a sinusoidal-shaped wave antenna comprised of at least one sinusoidal-shaped conductor that operates at a first operating frequency, wherein the wireless communication device is mounted to the inside of a tire, and in combination with the remaining claimed limitations.

Claims 98 and 119 are allowable over the art of record because the prior art does not teach a wireless communication device coupled to a semi-circle-shaped wave antenna comprised of at least one semi-circle-shaped conductor that operates at a first operating frequency, wherein the wireless communication device is mounted to the inside of a tire, and in combination with the remaining claimed limitations.
